## UDWI issues capital credit checks

**BRIAN SPARKS**

MORE THAN 10,000 capital credit checks have been sent out to members totaling over \$438,000.

As a not-for-profit electric cooperative, UDWI is owned and operated by the members it serves. As you pay your electric bill each month, the cooperative pays the costs of delivering power to your home or business. At the end of the calendar/fiscal year, any margins (excess monies) left after the cooperative has paid all of its costs become equity. The cooperative tracks how much equity belongs to each member.

The UDWI Board of Directors must then decide how to use these margins. If needed, margins are invested back into the cooperative. On the other hand, when the UDWI Board of Directors feels that the financial condition of the coop allows those margins (equity) to be returned, it is

disbursed to the members in the form of capital credits.

In 2012, the UDWI Board of Directors made the decision to disburse capital credits for the first time. Capital credit checks were issued for memberships from 1938 to 1947. In 2015, capital credit checks were issued for the years of 1952 to 1956. In the coming months, we will publish portions of the unclaimed capital credits list in **Electric Consumer** (see pages 8, 16A-D and 28-29 for a partial list). If you or a family member is listed, please contact our office at 800-489-7362 or 812-384-4446 to speak with a capital credits clerk.

Disbursement of capital credits is a direct extension of the cooperative principle of member economic participation. Our members contribute equitably to, and democratically control, the capital of their cooperative. In short, it is YOUR REMC.

**BRIAN SPARKS** is CEO of UDWI REMC.

## Co-opNotes

### RATE SCHEDULE

Schedule "R" – residential service

Rate Schedule

Facilities charge	\$34 per month
Summer and winter	12.5 cents per kWh
Spring and fall	11.5 cents per kWh

The above rates are subject to a Purchased Power Cost Adjustment Tracking Factor, in accordance with the order of the Indiana Utility Regulatory Commission, approved Dec. 17, 1976, in Cause No. 34614, and fuel adjustment clause.

### BUDGET BILLING

Our BUDGET BILLING PLAN allows you to budget your payments over the course of the year to improve your financial planning. With our BUDGET BILLING PLAN, you know each month exactly how much your electric bill is going to be.

The monthly billing amount is determined by averaging the kilowatt-hours used for the previous 12 months, and the payment is figured using the current rates. The member agrees to pay the budgeted amount each month for 11 months. However, actual use is recorded on each month's billing statement to allow the member to track his or her use throughout the year. In the 12th month, the member either pays the difference in what was actually used, or receives a refund if there is an overpayment.

The BUDGET BILLING PLAN is offered to members who have had electric service with the co-op for at least one year.

Applications for BUDGET BILLING are available throughout the year; however, members can only join the program from April 1 through Sept. 15. June is the first billing month of the program, with May being the 12th, or settlement, month.

For more information about UDWI's BUDGET BILLING PLAN call 384-4446 or 800-489-7362.

## YOUTH PROGRAM APPS DUE

Applications are due to UDWI REMC on Feb. 15 for those wishing to attend the Indiana Youth Tour to Washington, D.C., and Touchstone Energy Camp this June.

For more information, go to [www.udwiremc.com](http://www.udwiremc.com).

## Declaration of intent to run for election

District 3 Director James Jackson and District 6 Director Ronald Thompson have each declared his intention to run for re-election to the UDWI REMC board of directors. At this time, no nominations by petition have been received. Any nominations received by the deadline date will be published in the March edition of **Electric Consumer**.

You have the opportunity to vote for your board of directors at your annual meeting on March 26.

JAMES  
JACKSON

RONALD  
THOMPSON

## Statement of nondiscrimination

UDWI REMC employs or places the most qualified persons in available jobs in relation to established job specifications, so that the interest and abilities of its employees will be fully used in the achievement of organizational goals, and is accomplished without discrimination in regard to race, color, national origin, age, disability, sex, gender identity, religion, reprisal, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income derived from any public assistance program, or protected genetic information, except where bona fide, job-related conditions or requirements exist.
